The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**BUSINESS RECYCLING PROGRAM
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Award the contract for the "Business Recycling Program" to Daniel J. Edelman, Inc., d.b.a., Edelman Public Relations, located in Los Angeles, California. This contract will be for a period of 36 months commencing upon Board approval and may be extended for two 1-year renewal options not to exceed a total contract period of five years.
2. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.
3. Authorize Public Works to encumber an amount not to exceed \$1,304,082 for the first 36-month term and \$395,000 for the first-option year and \$470,000 for the second-option year. These amounts are based on the contractor's unit prices to perform the requested work. First year funds are available in Public Works' 2002-03 solid waste management fund.
4. Delegate authority to the Director of Public Works to execute and to renew this contract for each renewal option, if, in the opinion of the Director, renewal is warranted.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to obtain business recycling outreach services. The work will consist principally of conducting site visits to businesses in the unincorporated areas to assist them in developing new and expanded on-site recycling programs to help the County comply with the waste diversion requirements of the California Integrated Waste Management Act of 1989 (AB 939). There are additional contractual elements to support the County's efforts to comply with AB 939 mandates, including printing and distributing business recycling brochures, printing and mailing promotional postcards, maintaining an existing database of business contacts and business waste information, submitting and implementing a plan to conduct two telephone surveys to measure program effectiveness, and preparing and submitting monthly status reports and a final report. This service has been contracted since 1994.

Implementation of Strategic Plan Goals

This action is consistent with the County's Strategic Plan Goal of Organizational Effectiveness. This contract will improve internal operations through the utilization of this contractor's expertise to effectively provide this service in a timely and cost-effective manner.

FISCAL IMPACT/FINANCING

The contract is for an amount not to exceed \$1,304,082 for the first term of 36 months and \$395,000 for the first-option year and \$470,000 for the second-option year. These amounts are based on the contractor's prices to perform the work. This contract will commence upon Board approval for a period of 36 months with two 1-year renewal options. With the Board's delegated authority, the Director will execute this contract and may renew this contract for the two one-year options for a total contract period not to exceed five years. In any event, this contract may be canceled or terminated at any time by the County without cause upon the giving of at least 30 days' written notice to the contractor. First year funds are available in Public Works' 2002-03 solid waste management fund. There will be no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Public Works has evaluated and determined that the Living Wage Program (County Code Chapter 2.201) does not apply to this recommended contract, which is for services required on an as-needed and intermittent basis.

Prior to the Director executing this contract that will be as substantially reflected in Enclosure C, the contractor will sign and County Counsel will review it as to form.

CONTRACTING PROCESS

On November 7, 2002, Public Works solicited proposals from 277 independent contractors and community business organizations to accomplish this work. Also, notice of proposal availability was placed on the County's bid website (Enclosure A) and an advertisement was placed in the Los Angeles Times.

On December 30, 2002, four proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements as outlined in the Request for Proposals (RFP). Having met these requirements, they were then evaluated by an evaluation committee consisting of Public Works' staff. The committee's evaluation was based on criteria described in the RFP, which included experience, price, work plan and approach, and proposer capability. Based on this evaluation, Public Works is recommending that this contract be awarded to Daniel J. Edelman, Inc., d.b.a. Edelman Public Relations, located in Los Angeles, California, who was found to be the most responsive proposer to perform the required service.

Enclosure B reflects the four proposers' minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color. This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, and nonpayment for services received after contract expiration or termination.

Public Works has confirmed that the Child Support Services Department has received the contractor's Principal Owner Information Form in compliance with the Los Angeles County Code, Chapter 2.200 (Child Support Compliance Program).

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record, which reflects that activities conducted by the contractor in the past have been according to reasonable standards of safety.

The Honorable Board of Supervisors
May 8, 2003
Page 4

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services which will exceed the contract's approved amount, scope of work, and/or terms.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees.

CONCLUSION

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES
Director of Public Works

SPECIFICATIONS AND CONDITIONS BUSINESS RECYCLING PROGRAM

SECTION 1

WORK REQUIRED/PROPOSAL SUBMISSION

A. Work Required

Proposers are requested to provide a proposal for services in the form described in the following sections and attachments. Proposers are instructed to carefully read these terms, requirements, specifications, conditions, attachments, and exhibits.

The Business Recycling Program (Program) was an outgrowth of the County unincorporated areas Source Reduction and Recycling Element (SRRE), and originally began in November 1994. Through earlier contracts, a number of materials were developed that will be made available for viewing at the Proposers' Conference. These include such items as the survey instrument, stationery, brochures, giveaway items, award items, and site visit worksheets. Information is also available on the Program's website, www.businessrecycling.com.

The work to be accomplished under these specifications includes the tasks summarized below. See Exhibit A for the complete Schedule of Tasks.

- Task 1** Submit and implement a plan for obtaining data on businesses in the unincorporated County areas and for maintaining and enhancing the existing database application to accommodate improved statistical analysis and tracking.
- Task 2** Develop and implement the technical assistance component of the Program, which includes dividing the business listing into groups, developing targeting strategies, and hiring/training Business Recycling Consultants (BRCs). As a technical assistance tool, develop and maintain a list of permitted haulers, recyclers, and other appropriate businesses that service the unincorporated areas.
- Task 3** Develop new postcards and revise/update tip sheets and brochure developed in the previous contract. Continue implementing the existing awards program and the Program hotline, add and update content on the existing Internet website, and prepare award and grant applications.

Task 4 Has been deleted.

Task 5 Submit and implement a plan to conduct two telephone surveys approximately 12 months apart to measure the Program's effectiveness. The results from the surveys shall be compiled and cross-tabulated with previous program surveys and submitted in the form of a survey report.

Task 6 Prepare and submit monthly status reports and conduct monthly meetings with Public Works staff reporting on the performance of Contract tasks/items. In addition, submit a Final Report encompassing information from the entire contract period, including discussion of problems encountered and recommendations for improving the Program.

B. Proposal Submission

Proposals shall be submitted using the following sequence, content, and according to the format stated below. Failure to provide the required information or comply with these guidelines may be a basis for rejection of the Proposal. The proposal package must include the following:

1. Title page which indicates the Proposer's name, project title, and date of submittal.
2. Comprehensive Table of Contents for material included in the Proposal.
3. A comprehensive description of the Proposer's and any subcontractors' background, organization, experience, and staff, in sufficient detail and scope to provide for a meaningful evaluation, comparison, and assessment (see Part I, Section 3.F, Evaluation Criteria). Include resumes of the firm and all key employees and financial references. Include an organizational chart showing the project team and all subcontractors.

If subcontractors are to be employed, the Proposal shall include a specific description of the qualifications of each subcontractor, their tasks, experience, safety records, financial references, staff, and contact person. All subcontractors to be employed by the Proposer to

perform any of the work under this Proposal shall be subject to the same requirements set forth in this Request for Proposals.

4. Work Plan of Action/Approach which describes the procedures, techniques, and methods that will be employed in meeting the objectives outlined in Part I, Section 2, Scope of Work and Exhibit A. If subcontractors are contemplated, a description of the qualification of these persons/agencies, their tasks, experience, qualifications, and schedule shall be included. All subcontractor(s) to be employed by the Proposer in relation to the performance of the work, if any, shall be subject to pertinent requirements as set forth in the Request for Proposals.

 - Contractor's Industrial Safety Record
 - Conflict of Interest Certification
 - Equal Employment Opportunity (EEO) Certification
 - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form
 - Jury Service Program Form
 - GAIN Employment Commitment Form
 - List of Subcontractors
 - Appropriate Business Affidavit
 - Proposer's Internal Revenue Service Employer Identification Number
7. Submit proof and/or a positive statement that the required insurance coverage can be provided.
8. For each subcontractor proposed to be employed on the project, submit the following:
 - Contractor's Industrial Safety Record
 - Conflict of Interest Certification
 - Proposer's/Offeror's EEO Certification
 - Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form
 - Jury Service Program Form
 - GAIN Employment Commitment Form
 - Principal Owner Information Form
 - Child Support Compliance Program Certification

9. The reference list shall include contracts with all public entities in the State, including the County and Public Works, for which the Proposer has provided service within the last three years. The information shall include a contact person and phone number for each listed entity.
10. Provide copies of the company's financial statements prepared by a certified public accountant for the last three full fiscal years. Statements should include the company's assets, liabilities and net worth. At a minimum, statements must include a balance sheet (statement of financial position), income statement (statement of operations), and retained earnings statement. If audited statements are available, these should be submitted. Income tax returns and personal financial records are unacceptable. Financial records will not be held confidential unless they are properly designated as trade secrets in accordance with Part II, Section 2.0, Disclosure of Contents of Proposals:
11. The GAIN Employment Commitment Form demonstrates or attests to the Proposer's ability to meet the following requirement:

As a threshold requirement for consideration for contract award, Proposer shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) or shall attest to a willingness to consider GAIN participants for any future employment opening if they meet the minimum qualifications for that opening. Additionally, Proposer shall attest to a willingness to provide employed GAIN participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award.

12. Submit certification in accordance with the provisions of Section 2.200.060 of the County Code, that 1) the Principal Owner Information Form (attached) has been appropriately completed and provided to the Child Support Services Department with respect to the Proposer's Principal Owners; 2) the Proposer has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 3) the Proposer has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignments and continues to maintain

compliance. Such certification must be submitted on the Child Support Compliance Program Certification (attached). Failure by the Proposer to provide the Principal Owner Information Form to the Child Support Services Department will be grounds for a finding by the County that the Proposal is nonresponsive.

13. The resultant contract for this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance ("Jury Service Program," Los Angeles County Code, Chapter 2.203). Proposer should carefully read the pertinent jury service provisions in Part II, Section 3.U. The Jury Service Program applies to both contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered non-responsive and excluded from further consideration.

- a. The Jury Service Program requires contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a contractor and "full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) the contractor has a long-standing practice that defines the lesser number of hours as full time. Therefore, the Jury Service Program applies to all of a contractor's full-time California employees, even those not working specifically on the County project.

- b. There are two ways in which a contractor might not be subject to the Jury Service Program. The first is if the contractor does not fall within the Jury Service Program's definition of "contractor." The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or

subcontracts. The second is if the contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to contractors that have 1) ten or fewer employees; and, 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this contract is less than \$500,000; and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

- c. If a contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in the Certification Form and Application for Exception (see attachments) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor's application, the County will determine, in its sole discretion, whether the contractor falls within the definition of Contractor or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

- 14. In evaluating proposals, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principal office currently located in Los Angeles County for a period of at least 12 months; and 3) certified by the Office of Affirmative Action Compliance as meeting the requirements set forth in 1 and 2 above. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified

Local SBE. Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small business Certification and Resources Web site at <http://www.pd.dgs.ca.gov/smbus/default.>

15. Additional data not specifically requested for evaluation, which the Proposer feels are essential, must appear in the last section of the Proposal and be labeled "Additional Information," at the end of the Proposal. SECTION 3

AWARD AND EXECUTION OF CONTRACT

A. Award of Contract

The County reserves the right to award the Contract to the Proposer whose Proposal provides the most beneficial program and price, with all other factors considered. The awardee shall sign and return this Contract, together with copies of the required insurance certification, within 14 days after notification by Public Works of intent to recommend award of this Contract to the Board.

B. Final Contract Award by Board

Notwithstanding a recommendation of a department, agency, individual, or other, the Board retains the right to exercise its judgment concerning the selection of a Proposal and the terms of any resultant agreement, and to determine which Proposal best serves the interest of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

C. Legal Status of Contractor's Personnel

Contractor warrants that it fully complies with all laws regarding employment of aliens and others, and that all of its employees performing services hereunder meets the citizenship or alien status requirements contained in Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (PL. 99-603). Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal statutes and regulations as they currently exist and as they may be hereafter amended. Contractor shall retain such documentation for all covered employees for the period prescribed by law. Contractor shall indemnify, defend, and hold harmless, the County, its officers and employees from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

D. County Lobbyists

Each County lobbyist, as defined in the Los Angeles County Code Section 2.160.010, retained by Proposer submitting a

response to this Request for Proposals or Contractor awarded this Contract shall be in full compliance with Chapter 2.160 of the Los Angeles County Code. The Proposer's/Contractor's signature on the Proposal/Contract is its certification that it is in full compliance with Chapter 2.160. Failure on the part of any County lobbyist retained by Proposer/Contractor to fully comply with the County Lobbyist Ordinance shall be sufficient cause for rejection of the Proposal or shall constitute a material breach of this Contract upon which the County may immediately terminate or suspend this Contract.

E. Evaluation of Proposals

All responses to this Request for Proposals become the property of the County. The County will select a Contractor from among those submitting Proposals. Selection will be based on the evaluation criteria set forth below. After a Contractor has been selected by the County, the County and Contractor may negotiate a contract for submission to the Board for their consideration and possible approval.

The County may require whatever evidence it deems necessary relative to the Contractor's financial stability.

Public Works may utilize the services of appropriate professionals to assist in the Proposal evaluation process. Public Works may conduct a reasonable inquiry to determine the responsibility of any Proposer and/or may require the Proposer to appear before an Evaluation Committee (Committee) for a presentation on its Proposal. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including but not limited to, information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for determination of a lack of responsiveness with respect to such Proposer.

Public Works reserves the right to judge the Proposer's representations, either written or oral. All responses to this Request for Proposals become the property of the County. Upon receipt of said Proposal, as specified, the County will select a Contractor from among only those submitting Proposals.

The County may, at its option, invite one or more of the Propers to make a presentation to an evaluation committee before a final selection is made.

F. Evaluation Criteria

The evaluation criteria to be used in the selection process will include, but are not limited to the following considerations:

1. Proposals will first be reviewed on a Pass/Fail basis. Proposals not meeting all of these requirements will be rejected as nonresponsive:
 - a. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal.
 - b. Proposer's Safety Record reflects that the Proposer has provided services in a safe manner.
 - c. Proposer shows an ability to meet insurance requirements.
 - d. Proposer has met the GAIN requirements.
 - e. Proposer has submitted to the Child Support Services Department the Principal Owner Information and Child Support Compliance Program Forms.
 - f. Proposer has submitted the Jury Service Program Application for Exception and Certification Form.
 - g. Proposer has signed all appropriate forms and Part I, Section 6, Schedule of Prices.
 - h. Proposer is signed in as attending the Proposers' Conference.
2. Proposals passing the first step will be reviewed by the Committee and evaluated using the criteria listed below:
 - a. Proposer Experience (30 points)

Proposer's prior experience in successfully providing education and outreach services, conducting campaigns in the fields of solid waste management, conducting waste audits, conducting surveys, preparing diversion studies, obtaining sponsors, and preparing award and grant applications. Proposals will be evaluated on the quality and length of experience of Proposer's and subcontractors' principals and staff on similar tasks and projects. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

b. Price (30 points)

The proposed price should accurately reflect the cost of providing the initial three-year program. The lowest "Total Proposed Price" quoted in Section 6, Schedule of Prices, will receive the full weight of this evaluated item (30 points). Other Proposals will receive a prorated amount of points calculated as follows: divide the lowest price by each other Proposers' price and multiply each result by the maximum points for this evaluation factor (30 points). However, the lowest-priced proposal may not necessarily be awarded a contract.

In addition, should one or more of the Proposers request and be granted the Local SBE Preference, the cost component points will be determined as follows:

Five percent (5%) of the lowest cost proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the Cost submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

c. Work Plan and Approach (25 points)

Proposals will be evaluated on the extent to which the Work Plan meets the Scope of Work requirements for all tasks identified in Exhibit A and on the extent to which it demonstrates creativity and innovation that exceed the minimum requirements of the Scope of Work. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

d. Proposer Capability (15 points)

Proposals will be evaluated on the Proposer's demonstration of capability to successfully conduct the Program as supported by: relevant references, financial statements, and appropriate organization resources as set forth in proposer's description of background, organization, experience and staff, and other materials available to the evaluators. Inadequate references, financial strength, organization, or staff qualifications may result in a low or zero overall score in this category. A score of zero in this category is unacceptable and may result in rejection of the Proposal.

SECTION 4

GENERAL INDEMNIFICATION AND INSURANCE REQUIREMENTS

A. Independent Contractor Status

This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association between the County and Contractor.

The obligation to defend, indemnify and hold harmless includes all investigations and proceedings associated with purported violations of Section 336.10 of Title 8 of the California Code of Regulations pertaining to

multi-employer work sites. Contractor shall not be obligated to indemnify for liability and expenses arising from the active negligence of the County. The County may deduct from any payment otherwise due the Contractor any costs incurred or anticipated to be incurred by the County, including legal fees and staff costs, associated with any investigation or enforcement proceeding brought by Cal-OSHA arising out of the work being performed by the Contractor under this Contract.

Without limiting the Contractor's indemnification of the County and during the term of this Contract, the Contractor shall provide and maintain, and shall require all of its subcontractors to maintain, the following programs of insurance specified in this Contract. Such insurance shall be primary to and not contributing with any other insurance or self-insurance programs maintained by the County, and such coverage shall be provided and maintained at Contractor's own expense.

1. Evidence of Insurance - Certificate(s) or other evidence of coverage satisfactory to the County shall be delivered to Administrative Services Division, Attention Leticia Gordo, P.O. a bond guaranteeing payment of all such retained losses and related costs, including but not limited to expenses or fees, or both, related to investigations, claims administrations, and legal defense. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

2. Insurer Financial Rating - Insurance is to be provided by an insurance company acceptable to the County with an A. M. Best rating of not less than A:VII, unless otherwise approved by County.
3. Failure to Maintain Coverage - Failure by the Contractor to maintain the required insurance, or to provide evidence of insurance coverage acceptable to County, shall constitute a material breach of contract upon which the County may immediately terminate or suspend this Contract. County, at its sole option, may obtain damages from Contractor resulting from said breach. Alternatively, County may purchase such required insurance coverage, and without further notice to Contractor, County may deduct from sums due to Contractor any premium costs advanced by County for such insurance.
4. Notification of Incidents, Claims, or Suits - Contractor shall report to County's Project Manager:
 - a. any accident or incident relating to services performed under this Contract which involves injury or property damage which may result in the filing of a claim or lawsuit against Contractor and/or County. Such report shall be made in writing within 24 hours of occurrence.

The above requirements can be met by a combination of primary and excess insurance coverage.

3. Workers' Compensation and Employers' Liability insurance providing Workers' Compensation benefits, as required by the Labor Code of the State of California, or by any other state for which the Contractor is responsible. F. Liquidated Damages

Failure of the Contractor to complete the work within the time allowed will result in damages being sustained by the County. Such damages are, and will continue to be, impracticable and extremely difficult to determine. For each consecutive calendar day in excess of the time specified for completion of work, the Contractor shall pay to Public Works, or have withheld from monies due it, the sum of \$500, unless otherwise provided in these Specifications.

Execution of this Contract shall constitute agreement by the County and the Contractor that \$500 per day is the minimum value of the costs and actual damage caused by failure of the Contractor to complete the work within the allotted time, that such sum is liquidated damages and shall not be construed as a penalty, and that such sum may be deducted from payments due the Contractor if such delay occurs.

Payment shall be made as and when provided in Exhibit B, Schedule of Deliverables. The amount of payment will be determined in accordance with Part I, Section 6, Schedule of Prices, subject to deductions for liquidated damages, if any. Unless another method is specified in the Schedule of Prices, all payments shall be calculated by multiplying the Contractor's unit price by the number of units delivered or performed.
- B. Notwithstanding the amounts of compensation quoted in the Schedule of Prices, the Director/Designee and the Contractor may agree in writing that specified tasks or deliverables may be compensated at a lower rate than the amount quoted as a result of savings realized in the performance of the work. Should the Contractor perform any task for a lower cost than originally agreed, or should any task be curtailed, resulting in a surplus in the funds encumbered for the work, the Director/Designee may direct the application of any surplus to increase the quality or quantity of the service or deliverable items provided for in the Scope of Work. However, such reallocation of funds is permitted only with the written approval of the Director/Designee.
- C. Subject to acceptance by the Director and approval of any related agreement by County Counsel, any gift or sponsorship obtained through the Contractor's efforts may, in the sole discretion of the Director and in accordance with its terms, be used to fund any part of the scope of work or additional or expanded work assignments within the scope of work. The amount and manner of compensation shall be as provided in Paragraph A of this Section.
- D. County may withhold the whole or a portion of the Contractor's payment in the event of the Contractor's failure to perform any portion of this Contract, including any element of any deliverable. The amount of the withheld payment will equal the ascertainable cost of performing the omitted work as determined by the County.

SECTION 2

GENERAL PROPOSAL REQUIREMENTS AND CONDITIONS

A. Knowledge of Work to be Done

By submitting a Proposal, Proposers will be held (1) to have carefully read the solicitation document and all attachments, (2) to have satisfied themselves as to their ability to meet all of the difficulties attending the execution of the proposed work before the delivery of their Proposal, and (3) agree that if awarded this Contract, no claim will be made against the County based on ignorance or misunderstanding of the solicitation document.

B. Withdrawal of Proposals

Proposers may withdraw their Proposal anytime before the date and hour set for submission upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

C. Invalid Proposals

It is the sole responsibility of the Proposer to see that its Proposal is properly received by Public Works before the submission deadline. Proposers shall bear all risks associated with private delivery services or with delays in the U.S. Mail.

Proposals submitted by telegram and those which are not clocked in at Public Works' Headquarters Lobby Cashier before the date and hour set for receipt of the same will not be considered and will be returned to the Proposer unopened.

D. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer shall render their Proposal irregular and may cause its rejection.

E. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 120 days following the last day to accept Proposals.

F. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals not suitable in the judgment of the Board/Director to be in the best interests of the County/Public Works. In the event of any such rejection, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than an officer of a corporation or a member of a general co-partnership, must be submitted with a power of attorney authorizing such signature; otherwise, the Proposal will be rejected as irregular and unauthorized.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document contains multi-Proposal requests, no Proposal will be considered unless the Proposer submits a price on all items within each category, though the Proposer may not be required to submit a price on all the categories.

G. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out this Contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be sufficient cause for rejection of the Proposal.

H. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on the Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be sufficient cause for rejection of the Proposal.

I. Proposer's License Requirements

Proposers shall be properly licensed by the State of California to perform the work proposed under these Specifications. Lack of proper license at the time of submission of Proposal will be sufficient cause for rejection of the Proposal.

J. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the contract period. The Board, County, Public Works, District, or Director do not presume what future costs may be or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

K. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors form provided. The use of subcontractors shall be according to the provisions of Part II, Section 4, Paragraphs D and G. Subcontractors shall be properly licensed under the laws of the State of California for the type of work which they are to perform. Alternate subcontractors shall not be listed for the same work.

L. Opening of Proposals

Proposals will not be publicly opened.

M. Disqualification of Proposers

More than one Proposal from an individual, firm, or partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has interest in more than one Proposal for the work contemplated will cause the rejection of all Proposals in which such Proposer has interest. If there is reason for believing that collusion exists among the Proposers, none of the participants in such collusion will be considered in this or future Proposals.

N. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected extension will be considered as representing the Proposer's intentions.

If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions.

If the items are incorrectly totaled, the corrected total will be considered as representing the Proposer's intentions.

O. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of this Contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, and plainly marked as "trade secret." Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

P. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of this Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

Part II--Service Contract General Requirements (continued)

A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being eliminated from consideration. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

Q. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including but not limited to County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits, and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.
3. The County may declare a Proposer to be non-responsible for purposes of this proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform this proposed Contract with the County or a contract with any other public entity, or engaged in a pattern or practice which negatively reflects on same, (2) committed an act or omission which indicates a lack of business integrity or business honesty, or (3) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the

Part II--Service Contract General Requirements (continued)

Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for Public Works' recommendation. If the Proposer fails to avail itself of the opportunity to rebut Public Works' evidence, the Proposer may be deemed to have waived all rights of appeal.

5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

R. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding on other County contracts for a specified period of time, not to exceed 3 years, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated any term of a contract with the County, (2) committed any act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing.

Part II--Service Contract General Requirements (continued)

After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. If the Proposer fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, the Proposer may be deemed to have waived all rights of appeal.

4. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

A. Limitation of the County's Obligation Due to Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or services shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such non-allocation at the earliest possible date.

B. Nondiscrimination in Employment

The Contractor shall ensure that qualified applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.

The Contractor shall deal with its subcontractors, bidders, or vendors without regard to, or because of, race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender.

The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.

PART III - STANDARD TERMS AND CONDITIONS (continued)

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.

The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

C. Assignment

This Contract, or any interest therein, including any claims for monies due or to become due with respect thereto, may only be assigned upon the written consent of the Director and any prohibited assignment shall be null and void. Any payments to any assignee of any claim under this Contract, in consequence of each consent, shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.

D. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

E. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.

PART III - STANDARD TERMS AND CONDITIONS (continued)

2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

F. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

G. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

H. Termination for Improper Consideration

County may, by written notice to Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue that same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 554-6861. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

I. Notice of Delays

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within five days, give notice thereof, including all relevant information with respect thereto, to the other party.

J. Record Retention and Inspection

The Contractor agrees that the County or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

K. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

L. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

M. Default for Insolvency

1. The County may cancel forthwith this Contract for default in the event of the occurrence of any of the following:
 - a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and

- b. The filing of a voluntary petition to have the Contractor declared bankrupt.
 - c. The appointment of a Receiver or Trustee for the Contractor.

N. Default

1. The County may, subject to the provisions of Paragraph 3 below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
 - a. If the Contractor fails to perform the services within the time specified herein or any extension thereof; or
 - b. 2. In the event the County terminates this Contract in whole or in part as provided in Paragraph "a" above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
3. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if

4. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to the Termination for Convenience of the County clause above (see Part II, Section 5).
5. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
